Re: ***GMA Accessories, Inc. v. Eminent, Inc. et al.***, 07CV3219(LTS)(DCF)

Dear Judge Freeman:

Pursuant to Your Honor's directive issued at the end of the conference call with the Court this past Wednesday, counsel for all parties did confer via telephone conference yesterday afternoon and discussed the various issues raised during the call. With respect to the Pre-Trial Scheduling Order, counsel have agreed to extend the cut-off date for fact discovery from January 15, 2008 through and including February 29, 2008. Counsel have also agreed that further amendments to the Pre-Trial Scheduling Order likely will be necessary if new parties are allowed into the case as a result of the pending motions filed by Bop, LLC, Jonathan Solnicki and/or Charlotte B, LLC.

Respectfully,

  
Ira S. Sacks

The requested extension of the fact discovery deadline is granted. Counsel are directed to submit a proposed revised discovery plan covering all dates set out in Judge Swain's case management plan.
